Dear Dr.Holman:

I am pleased to reply to your letter of September 1, 1977 with the information that a contribution of \$1,000.00 has been approved by our organization to help support the 1978 Deuel Conference on Lipids.

I plan to attend this conference myself, since I found the 1977 one very instructive and helpful. We also hope to send a second representative of this Council. Tentatively we expect that Dr. David Stone of our staff will be available for this assignment in March 1978.

Sincerely yours,
